SHANGHAI, CHINA

2 OVERNIGHTS | 2-4 APRIL 2024

Standing on The Bund gazing across the Huangpu River to a forest of skyscrapers, it will be hard to believe that a few decades ago there was barely a building over 10 stories here. While the global economy has transformed Shanghai's skyline, you can still find history and culture during a quiet moment in the 16th-century Yuyuan Garden. Or try shopping for yixing teapots, jade and 3D kitten photos and savouring pan-fried dumplings and scallion pancakes in the Old City. For the hip and modern, head to M50, a collection of factories and cotton mills that have been turned into galleries, and view works of established and emerging Chinese artists.

Exploring the streets and neighbourhoods of Hanoi, you'll find the city's tumultuous past and enduring spirit everywhere. Standing in front of the French Colonial architecture of the opera house and St. Joseph's Cathedral inspired by Notre Dame, you will feel like you are in Paris instead of Southeast Asia. Then Vietnam's culture unfolds in the 11th-century architecture of the Imperial Citadel and Temple of Literature and in Ba Dinh Square, where Ho Chi Minh read the Proclamation of Independence in 1945. This UNESCO site offers a look at Vietnam before the 20th century, but you'll also see evidence of the Vietnam War in the bombed remains of the Forbidden Purple City. That time in history is more evident in Da Nang, where you can tour a replica of Ho Chi Minh's residence and peek through bullet holes left from the war in the caves of the Marble Mountains.

SAIGON (HO CHI MINH CITY), VIETNAM

1 OVERNIGHT | 15-16 APRIL 2024

A lot has changed since the iconic evacuation photos were taken during the fall of Saigon in 1975 – including its name, Ho Chi Minh City. Nowhere is the evolution more obvious than when you view the city from the 81st-floor observation deck of Vietnam's tallest building. Still, Ho Chi Minh City retains its unique culture and wears its battle scars with honour. You'll experience this in the elaborate French Colonial architecture and grand arches of the 19th-century post office as well as the Cu Chi Tunnels built during the war. Explore Vietnam's history in the fascinating museums and pagodas, and watch modern life unfold in bustling markets.

MUMBAI, INDIA

1 OVERNIGHT | 7-8 MAY 2024

India's largest city, Mumbai is home to 20 million people, seemingly all on the go. After that, your senses may kick into overdrive – from the bright flowers and fragrant incense used in daily Hindu rituals to the constant thrum of traffic and rush of pedestrians on busy streets. But there's always somewhere to slow down, like the seaside promenade of Marine Drive or even an air-conditioned movie theatre, where you can take in a locally produced Bollywood production.

DUBAI, UAE

1 OVERNIGHT | 12-13 MAY 2024

SEVILLE, SPAIN

1 OVERNIGHT | 10-11 JUNE 2024

You'll easily fall in love with Seville. The city is just right – big enough to have lots to do but small enough to feel intimate, with enough visitors to be tourist-friendly without being a tourist trap. Get lost in the winding streets of the Santa Cruz neighbourhood, or let your eyes skim the residential rooftops as you sip a glass of wine on the balcony of the Metropol Parasol – known locally as Las Setas, or “the mushroom” – a modern structure built above ancient Roman and Moorish ruins. Be sure you also make time for Seville Cathedral, a beloved centre of worship in this heavily Catholic region, and of course, the famed Alcázar palace.

Along a curve in the Garonne River rises the iconic 18th-century architecture of Bordeaux, a brilliant unity of medieval roots, neoclassical style and urban planning so remarkably revitalised that half the city was declared a UNESCO World Heritage site in 2007. Stroll through this divine cityscape defined by its parchment-coloured buildings and wide-open squares, the largest of which is the 30-acre Esplanade de Quinconces. The only thing that could draw you outside of a city this gorgeous would be wine regions as revered as Médoc and Saint-Émilion and the elegant countryside châteaux where you can taste these renowned vintages.

Witness nature's drama in the Land of Fire and Ice, a moniker that reflects Iceland's volcanic forces and glacial wonders. Stand atop the rim of Grabrok Crater and behold the lava fields that a past eruption left in its wake. View one roaring waterfall after another, ranging from remote Dynjandi – the largest cascade in the Westfjords – to Glanni, a petite waterfall where elves and trolls supposedly live. Still, the ultimate experience is riding in a monster snow truck through the manmade ice tunnel that cuts through Langjokull Glacier.
