Animals on board

Cunard has played host to hundreds of thousands of guests during its 180 year history, and not all of them were the two-legged kind.

In this document you will find all the necessary information to be able to board with your best friend.

Animals & allowed cruises

Only dogs or cats in good health will be accepted at Cunard. No other animals will be allowed.

The route allowed to travel with your pet will be the Transatlantic Crossings whose port of embarkation or disembarkation is:

- Southampton
- New York
- Hamburg

***This service will not be offered in: Southampton - Ft. Lauderdale or viceversa, Ft. Lauderdale - Nueva York or viceversa, or any other non-transatlantic crossing.*
